Scholarship Application for GCUA Annual Convention

The primary purpose of Foundation grants is education and training for in-state or regional programs that are offered by Georgia Credit Union Affiliates or system-endorsed programs. Scholarships to attend education programs may not be combined with grants or scholarships from other sources.

Application may only be submitted by a credit union CEO. Please submit a current financial statement and a separate letter describing in detail the reason for this request, anticipated outcomes and how the results will be evaluated. Also, include a copy of your business plan, marketing plan and/or strategic plan for the current year.

Application must be submitted by April 12, 2019

Foundation policy limits each credit union to two grants per calendar year (scholarship and grant). How many scholarships/grants has your credit union received this year? _____
